

## **PRAYING FOR MISSIONARIES**

**“If we truly love people, we will desire for them far more than it is within our power to give them, and this will lead us to prayer.”**

**- Richard Foster**

At Central, we are a praying church. We aim to grow to pray more intentionally for the missionaries and mission partners that we support. Please pray for them as the Lord leads you and as often as you are able.

Missionaries are blessed in their service to the Lord, but it can be challenging, resources can be limiting and spiritual warfare can take its toll. Our purpose is to support these individuals and organizations through prayer while also growing in our own personal prayer lives. Thank you for praying!
